Company Profile

Dear Prospective client,

Thank you for the opportunity and privilege to introduce the services offered by The S12 Furniture Exports Company (under the export brand name: S12 Furniture), which prides itself as a young and dynamic design brand offering tailor-made, environmental friendly and durable furniture solutions.

We are foremost dedicated to the needs of our customers and our mission is to be the premier manufacturer and exporter by exceeding industry standards through innovation and ensuring the utmost satisfaction of our customers. Our firm has extensive inventory with exclusive catalogue to accommodate unique design requests and have creative design team who can work with client to produce different ranges at short time.

Additionally, we are dedicated to bringing craftsman quality sensibilities to the international stage. Our furniture is made in the Jodhpur, purchasing a piece of furniture from our firm employs amish craftsmen and their assistants, We very excited to share our passion and enthusiasm for world class quality with you.

The realities of contemporary market require constant research and development at all levels of modern firm's activities, especially regarding trade service, marketing, product quality and grade control of the processes inside the company.

Our company Head Quarter is located in the historical and rapidly developing city of Jodhpur, in the tourism state of Rajasthan, India. Jodhpur is widely accepted as solid wood and metal furniture supplier to the world. Strong historical background of craftsmen is also an added advantage, the constant international exposure to the local craftsmen is an icing on the cake for the development on latest technology know-how.
